

SSL Live Training - Los Angeles

Join the SSL Live team at the AudioGraph International School for two days of free certified SSL Live console training

Our friends at **AudioGraph International** are hosting two sets of two-day, free Live console training courses in Los Angeles. These events are your opportunity to experience first hand the impeccable sound and advanced workflow of SSL Live consoles and become certified in SSL Live console technology. Each course consists of two days with day one focused on Operator Training and day two focused on Systems Training.

Course 1 - August 14th & 15th
 Course 2 - August 16th & 17th

AudioGraph International

2103 Main Street
 Santa Monica
 CA 90405

These courses are free to attend but numbers are strictly limited.
