

SSL Live Training - Miami

Join the SSL Live team at DAS Audio HQ for two days of free hands-on certified SSL Live console training

Our partners **DAS Audio** are hosting free SSL live console training days at their HQ in Miami. This two day event is your opportunity to experience first hand the impeccable sound and advanced workflow of SSL Live consoles and become certified in SSL Live console technology.

Each day offers a different course and you can ask to attend either or both training days.

These events are free to attend but numbers are limited so please request a place using our registration form.
