

SSL Live Training - Las Vegas

Join the SSL Live team at our new Las Vegas Design Studio for two days of free certified SSL Live console training

SSL Las Vegas are hosting free certified Live console training days at the our new Las Vegas Design Studio.

This two day event is your opportunity to experience first hand the impeccable sound and advanced workflow of SSL Live consoles and become certified in SSL Live console technology.

Each day offers a different course and you can ask to attend either or both training days.
